Event Technology Made Easy

VIRTUAL STUDIO

THINGS YOU COULD DO

A huge advantage of using green screen is the creativity it opens up. This enables you to explore all the different effects which are available and ensures that you stand out from the crowd. At Setia City Convention Centre, we make sure to make your event as unique as possible.

GEARS WE PROVIDE

- Green Screen Dimension (L Shape): 20' x 20' x 10' (width x depth x height)
- PTZ HD Conference Camera
- Sony HD CamCorder
- VR4HD Web Streaming

...and more!

LIVE BROADCASTING
