## The Enchantment

Discover an enchanting mixed development concept combining the essence of nature and modern lifestyles. Multiple living choices await you amidst gentle creeks, pristine flower gardens, ponds, a bird haven and more. Choose from English, Balinese or Peranakan inspired architectural designs, each with its own distinct landscaped themes.

Setia Eco Templer offers more than just living for the whole family be it relaxing pursuits and nature activities, modern security systems, convenient amenities or easy accesibility.

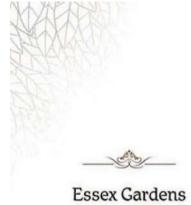

# CARSON CREEK

The longest creek running through the whole development with eight smaller creeks joining along various points of its passage. Indulge in fish feeding, camping, a family picnic or simply gaze at the stars.

Welcome to Essex Gardens. Choice bungalows, semi-detached homes and link villas await you amidst English themed pocket parks and landscaped gardens.

## The Jewel Pocket Park Amethyst Arbour Garden

Intricate arches, blossoms of flowers with hues of mild purple and a soothing fountain offer the perfect setting for quiet respite in a specially landscaped pocket park garden.

Standard Land Size: 22' x 80' Approx. Built-up: 2,394 sq.ft. No of rooms: 4 + 1

Enjoy stylish living options with open plan dining and spacious living areas with a garden view.
