

Legasi IV

NEXT GENERATION HOMES

2-STOREY TERRACE

A multi-generation home that gives you space to live, work and breathe.

Legasi IV is a home designed to give prominence to spacious rooms and great open spaces that is focused on a fusion of family bonds and work privacy resulting in homes that are ready to evolve with your needs as you grow in a neighbourhood that is secure and safe.

Do as you please and grow as you need in an exclusive community where you can enjoy the luxury of what really matters – your family.

An inspiring environment where you can be productive without compromising on the luxury of life.

Legasi IV

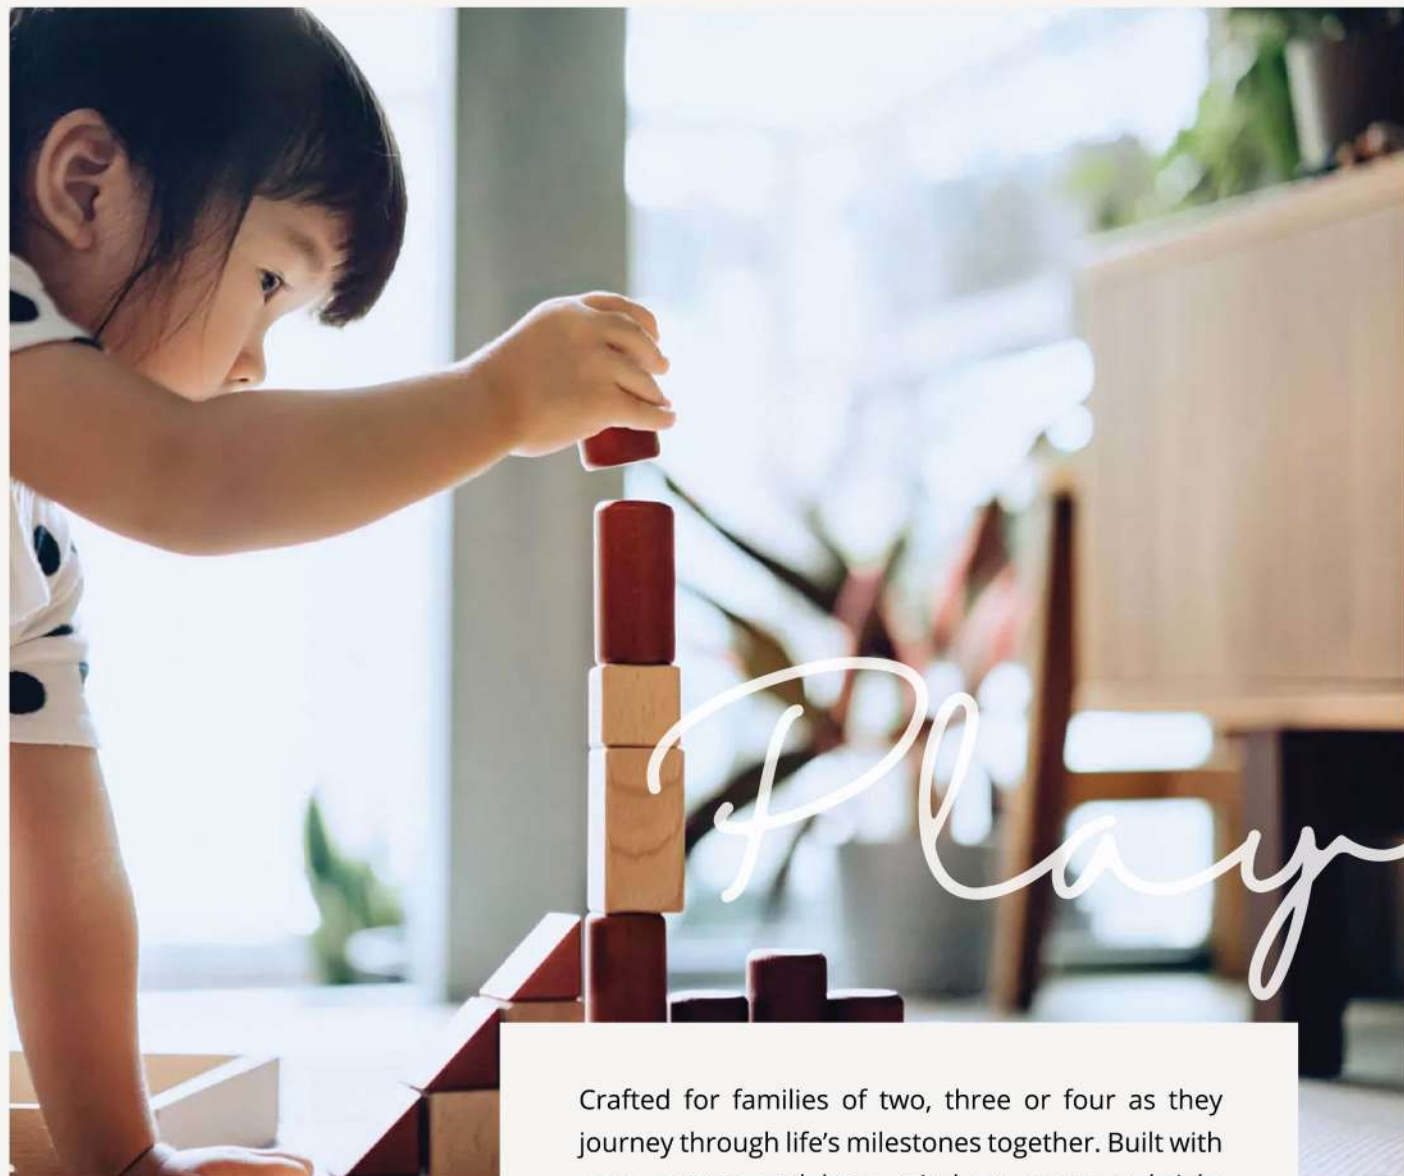

**Your private pocket
of serenity in an
exclusive low-density
neighbourhood.**

**A place tailored
to soothe your
senses and lift
your spirits.**

The highlights of this exclusive contemporary designed homes are the large spaces, big windows that lets in the outside of Legasi IV. You will never feel suffocated here. Nestled in heart of Bandar Kinrara, your private sanctuary is close to everything yet away from it all. Your home is orchestrated to be connected to everything inside and outside the home. Right outside your door, you are fronted by a beautifully landscaped recreational greenspace that is shared but can also be your own if you wish it to be so.

It is truly the perfect place for urban wellness of body and mind.

my home, my refuge

Crafted for families of two, three or four as they journey through life's milestones together. Built with open spaces and large windows create a bright atmosphere that encourages holistic activities for the entire family, no matter the age. This is a safe and serene place that everyone can call home. A place to grow, experience, and thrive effortlessly.

A home to grow

**Perfectly designed
around you and your family.**

Legassi

A new beginning for families to design a space of their own, to complement a career, to see a child through lifestages and for the special moments to remember. Open layout plan that ensures it is cosy enough for family time, and comfortable enough for work time. A versatile space to live, create and discover.

A place to work

Crafted with a purpose

Legasi

Play for life. Grow for life. Interact for life.

The focus on multi-generational living begins in the concept of our design. Best of all, the Next Generation Living concept is fulfils both the needs of the growing family and the work from home facilities that is the theme of living experiences of the future. At Legasi IV, all facilities have been planned meticulously to ensure everything is integrated for all, from energetic kids to working parents to retired grandparents. An enclave designed for everyone and catered to every individual.

The comforts are never ending. If you seek privacy, this is where you will find it. Wide windows invites the lush landscaping in, offering a view of green that is peaceful and inviting. A thoughtful development that is built to bring people together as a community or to recharge in your own personal space. Large enough to nurture a family and cosy enough for creativity. More than enough to cater to what you will need and to elevate the concept for modern living.

**Your private pocket of serenity
in an exclusive low-density
neighbourhood.**

**Designed to
refresh and restore.**

connectivity

Legasi IV is one of the few last remaining enclave of Bandar Kinrara. Your new home provides its residents easy and convenient access to everything you need- essential amenities, schools, business, parks, shopping and entertainment centers while strategically connected to the Bukit Jalil highway, KESAS highway, New Pantai Expressway & MEX Highway. In addition, you are a short drive away from established townships such as Puchong, Bukit Jalil, Sunway, Subang Jaya, Sri Petaling & the Kuala Lumpur City Centre.
